**Re: Applications for Transfer of Control of Qwest
Communications International Inc. and U S WEST, Inc.,
CC Docket No. 99-272**

Dear Ms. Salas:

On Friday, May 19, R. Steven Davis, Senior Vice President, Government Affairs, Qwest Communications International Inc. ("Qwest"); the undersigned (on behalf of Qwest); and Daniel Poole, Associate General Counsel, U S WEST, Inc. met with Christopher Wright, General Counsel; Paula Silberthau, Office of General Counsel; Lawrence Strickling, Chief, Common Carrier Bureau; Robert Atkinson, Deputy Chief, Common Carrier Bureau; Michelle Carey, Chief, Margaret Egler, Assistant Chief, and Henry Thaggert of the Office of Policy and Program Planning, Common Carrier Bureau, and Doug Sicker, Office of Engineering and Technology regarding the referenced proceeding.

The purpose of the meeting was to discuss Qwest's plans for the divestiture of its in-region business in the U S WEST region as described in its previously-filed Divestiture Compliance Report. Qwest also addressed questions concerning how service to existing customers with both in-region and out-of-region locations would be divided for purposes of divesting in-region service to Touch America, and how a GSP might transport data for in-region customers to out-of-region Qwest ISP service locations following divestiture.

Common Existing Customer (Post-Divestiture)

Note:

1. Touch America may supplement its own facilities and leased off-network capacity on other carriers with out-of-region Qwest wholesale services. However, Touch America is not required to use Qwest.
2. To accommodate Touch America's network, existing Qwest dedicated service to common customers is being rehomed to meet Touch America at its network in Chicago, El Paso and Los Angeles. Touch America will buy out-of-region Qwest wholesale service in order to serve those customers at cutover, but is free to reroute the services to use other network facilities or its own.
